

UIC Program Technical Guidance Documents

Technical Assistance Document: Cementing for the Plugging and Abandonment of Injection Wells
Survey of Methods to Determine Total Dissolved Solids Concentrations
Technical Assistance Document: Corrosion, its Detection & Control in Injection Wells
Final Technical Manual Injection Well Abandonment
Temperature, Radioactive Tracer, and Noise Logging for Injection Well Integrity
Technical Assistance Document: the Application and Calibration of Pressure Instruments, Flowmeters, and Flow Control Devices as Applied to Injection Wells
An Introduction to the Technology of Subsurface Wastewater Injection
